

LEADERSHIP DEVELOPMENT

every surfer +
every surfing community

We share the good news of Jesus with surfers, following Him together in community and empowering others to do the same. So that every surfer and every surfing community would have opportunity to know and follow Jesus.

LEADERSHIP DEVELOPMENT

LEADERS

In order to impact every surfer, we need to empower young leaders to influence their generation with the Gospel. But leaders don't just appear, they grow. To develop leaders you need to connect them with others, equip them with skills, and give them space to lead. Most importantly, you need to do this over a prolonged period of time.

We have a growing and diverse pool of leaders across the movement. Many leaders reside in challenging economies and lack the means to engage in leadership opportunities. They are local, indigenous, grassroots, and 100% our best opportunity to reach every surfer with the Gospel. We cannot accomplish the mission without them.

Continuing to connect, train, and equip young leaders will multiply global impact and build momentum around the vision. Our best practices have taught us that visitation, gathering together, sharing our faith stories, strategies and tactics yields a deep sense of community, builds powerful relationships of trust, and catalyzes our resolve as a movement.

TESTIMONIES

LUIS GUTIERREZ
VENEZUELA

“These funds will help me raise new leaders in the Caribbean and equip me to teach and train them better.”

REHGERT VAN ZYL
SOUTH AFRICA

“Africa is one of the last developing surfing areas and we want to raise up a generation of faith communities all over the continent. In order to grow grassroots leaders, we need to build the currency of trust by investing time. Many believers are isolated and not able to travel. My wife and I have logged thousands of kilometres on gravel roads to be able to be face-to-face as we listen to, encourage and train others and most importantly hear their heart for their communities.”

NANCY CHANG
TAIWAN

“I was able to achieve my Level 2 Training in Chaplaincy through Leadership Development funding.”
